

SKIPSTONE

4th ed. “Rose de Constance” Grand Cru Blanc de Blancs

“It all began in Cyprus... There is an old, rarely-told legend concerning Thibaud IV, Comte de Champagne, who returned from the crusades in 1240 bearing gifts for his lady love, Queen Blanche de Castile. In his travels to the isle of Cyprus, the Comte collected two treasures to show his ardor. The first was an exquisite Damask rose, which the poetic Comte likened to the beauty of his fair Queen. The Second was a native grapevine, an ancestor to the Chardonnay vines of Champagne. Rose de Constance takes inspiration from this tale of passion and romance: Fahri as a native of Cyprus, and Constance as a passionate devotee of Champagne, and Fahri’s cherished lady love.”

We have partnered with the legendary Champagne house, Diebolt-Vallois, to produce this special Skipstone Champagne.

This multi-vintage cuvee comes from Champagne’s most treasured Grand Cru Chardonnay vineyards in the Côte de Blancs. Aromas of white flowers, citrus and orchard fruits with an underpinning of brioche are matched on the palate. Mouthwatering acidity and complex depth give way to a spectacularly persistent mousse.
